RESPONSE TO RESTRICTION REQUIREMENT

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

In response to the Restriction Requirement mailed June 16, 2008, applicants hereby elect the invention of Group I (claims 1-25 and 28 drawn to transgenic cells and plants comprising the transgenic cells), and the sequence of SEQ ID NO: 1. Applicants specifically reserve the right to pursue claims to non-elected subject matter in one or more related patent applications.

A request for a one month extension of time, extending the deadline for response to August 16, 2008, is submitted herewith.

Respectfully submitted,

Janet Sleath
